

OUR MISSION

We are here for you. To educate, to serve, and to care. Brothers Healthcare is known for great service as a high-touch, full-service specialty and infusion pharmacy. We partner with patients, medical providers, and payers to create a top-notch integrated healthcare team. With careful listening and clinical expertise, we work together to develop and deliver a personalized care plan for each individual we serve.

2021 MEDIA KIT

INFUSING LIFE

QUARTERLY NEWSLETTER

Why advertise with Brothers Healthcare? We offer original content, expansive publication reach, and an established brand that represents integrity in the bleeding disorders community. Each issue's *Clinical Corner* features insights from specialists like nurses, pharmacists, and hematologists to support healthcare providers. Additionally, our carefully crafted education empowers patients to partner with their prescribers in choosing the best treatment options.

AUDIENCE: PATIENTS & CLINICIANS

Unique, high-quality articles created by bleeding disorders experts available in English and Spanish.

PRINT DISTRIBUTION

- 1 newsletter = average of 3 person readership.
- 300 patients.
- 370 prescribers.
- 45 hemophilia treatment centers/clinics.
- 25 bleeding disorders chapters.

E-NEWSLETTER REACH

Growing database of over 350 patients & caregivers connected by face to face encounters at local and national events.
